

444

The 3 number 4s and just two of them sometimes, as well as sequences of other numbers are often messages for our awareness. Others may have their own signifiers presenting to them...numbers or other types of signs that indicate they are on track with the right direction in life. In my case, the 3 number 4s show up often to keep my attention that I'm on track.

My birthday is 8-22-1940. August is 8 which is 4+4. 22 adds up to 4 and the year in 1940 or just the year of the century is 40 or 4. Or $1+9=1$ and $40+4$, so 14. So, 14444. That means an angel incarnate. Total birth number is an 8 which is 4+4. Yes 44, or 444 appear often when not making any attempt to notice. If I'm led by spirit to a particular place and time, then I'll notice double and triple 4s that signify what I am doing or where I am going is where I need to be or doing at that time. From a spiritual understanding, many people don't know that the 144,000 heavenly hosts here on this planet to assist with a very important transition to a new dimension.

Interesting. Angel Numbers, a nice book written by Doreen Virtue, PH.D., states for 444: "Thousands of angels surround you at this moment, loving and supporting you. You have a very strong and clear connection with the angelic realm, and are an Earth angel yourself. You have nothing to fear—all is well."

Earth life is a discovery of soul's purpose and fulfillment...we are all connected toward a common goal of peace and love of the highest source. Perhaps you're an earth angel too.
